Minutes from August 6th, 2006 Club Meeting

The August 6th meeting of the WRC was called to order by President Fred Foster at 10:15 AM at the 4-H flying site with many members in attendance. The minutes from the June meeting were read by Secretary Kurt Smith. Treasure Roger Leighton presented the treasurer's report which after the previous month's transactions showed a new balance of \$995.68. Both reports were duly moved, seconded, and approved unanimously by the members present.

V.P. Roger Bucker reported on the plans for the Boy Scout's Introduction to Flight program to be held August 26th at the field. The conversation included planning for the three distinct areas for the day: lecture, flight simulator, and actual flight on a buddy box. The members were very positive about the program and many stepped up to volunteer their time and expertise to the event.

Currently all club fuel has been sold and there was some discussion about ordering a to be determined amount of new club fuel but was not finalized.

The final day for returning Laco-
nia Airport gate openers and flash-
ers was at the meeting if members
wanted a return on their invest-
ment. Max Rothemund was han-
dling the return.

A grievance was received from
member Mark Kranc about the
fence at the field. The grievance
was read to the members present
and following a discussion, the
member voted to maintain the
fence as is and not to remove or
alter it.

Field maintenance was discussed as
the club now has a storage shed/
garage located on-site to store the
club's lawn mower. Members are
asked to take some time to help
with the field mowing. Even if a
member spends 15 minutes each
week mowing, together with other
members, the field will be main-
tained.

The 4-H Fair plans for the parking
crew and booth were presented by
Max Rothemund. Max discussed
members signing up on the volun-
teer list for different time schedules
for either parking or booth duties.

New members were added to the

roster: Robert Nesteruk and Kris
Spaulding.

The perspective new Club By-
Laws were presented to the mem-
bers and a complete copy will be
attached to all members that re-
ceive the News Letter via e-mail.
They will be discussed at the next
meeting.

There was discussion about a Fall-
Fun Fly with a tentative date of
Sunday, September 17th and will
be planned at the next meeting.

**DUE TO THE HOLIDAY
WEEKEND, THE NEXT
CLUB MEETING IS SUN-
DAY SEPTEMBER . 10th
AT THE FIELD.**
